DEFENDANTS

September 4, 2022 Sunday 12:24 pm Barry White announced to me as of today if i don't cut my hair off I will no longer be able to receive commissary nor have visits that is a violation to my rights due to the fact this County not state there's no handbook he makes up his own rules i have no Justice i don't want to cut my hair but if i don't he want let me put money on my books to pay the Clerk of Court so at this point im being forced to cut off my hair that is part of my beliefs in the amendments state's by law i don't have to cut my long hair off that i took 7 years to grow of my knowledge and they holds my mail 5 days or more before i receive it as well. He doesn't have any sorts or reason that i can't have my hair I keep it in a tail not in the face this issue is personal he even asked me was my hair real or fake? Also the paper tablets have been moved off commissary 08/15/22 due to the fact to keep us from writing the courts back that's a personal vendetta and we haven't been notified when will the tablets will be back on commissary
